

MEMORANDUM

May 31, 2026

To: All Auronex Members

Subject: 30-Day Staking Daily Return Update to 0.15%

This memorandum formally records the approved update to the Auronex staking policy for the 30-day lock option.

Effective policy statement:

- The 30-day staking option daily return is set to **0.15% per day (15 bps per day)**.

This update is being applied to preserve balanced reward distribution and to support long-horizon protocol sustainability as participation scales.

For clarity, this memorandum addresses only the 30-day policy update above. No additional policy terms are introduced in this notice.

All operational and documentation surfaces are expected to align with this policy statement to maintain member-facing consistency.

Thank you for your continued participation and stewardship of the Auronex ecosystem.
